

Debbie Fights

Coronavirus!

VINGE BRUSIO

Hi! My name is
Debbie. What's
your name?

I'm
confused and
scared! Do you
know why?

I'm confused and
scared because I hear
Coronavirus is making
people really sick!

But
I'm not sick.
So why can't I
go to school?

School is closed, and I don't know when I can go back and see my friends. It's not fair!

Am I going to get sick, too?

Debbie, let's
look at your
PODD.

Let's think about what
we can do to practice
social distancing so you
don't get sick!

We can do activities at home just like at school, and we can listen to your favorite music, too!

While I wait
for school to open,
I can do my school
work at home!

Yes!

We can do a lot
of things while
we stay safe.

Alright.
Let's check
my email.

Aw, man! My email says
Coronavirus is still at
school!

A woman with dark hair and glasses, wearing a red top, is smiling and looking towards a man. The man, with dark hair and a beard, is wearing a grey patterned shirt and is looking back at her. They are in a room with a light-colored wall and several framed pictures. The woman is holding a paintbrush and a palette, suggesting they might be painting or working on a project together. A speech bubble from the man says, "School needs more time to clean the walls and desks so I don't get sick." A speech bubble from the woman says, "I'll keep working from home."

School
needs more
time to clean the
walls and desks so I
don't get sick.

I'll keep
working from
home.

I'm going to
relax, too, and
text my friends.

I'm going to
watch YouTube, AND
play my piano!

To make sure I don't
get Coronavirus, I will
keep washing my hands!

I'm not afraid
of you anymore,
Coronavirus, because
I'm staying safe!

Bye,
Coronavirus!
Don't come
back!
